# BIKE

## The Scenic Lehigh River Gorge

Enjoy a spectacular day as you pedal your way through history. The Rail Trail runs through the Lehigh Gorge State Park in the Pocono Mountains offering breathtaking scenery and an easy riding surface. Whether you are a diehard biker or haven't been on a bike for years this is a pleasurable ride. You can choose a 26 or 13 mile self guided tour of amazing mountain scenery that winds its way along the Lehigh River. Bring a lunch and enjoy a picnic by the river bank or at one of the many rest stations along the trail. Rent one of our bikes or pedal your own and experience the Lehigh Gorge.

**FOR RIDERS OF ALL AGES & ABILITIES**  
**13 AND 26 MILE TRAILS (2 to 5 Hours)**
